PERSIANE E SCURONI

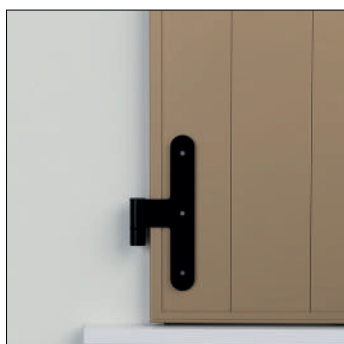

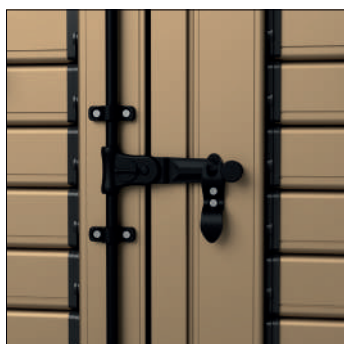

Persiana in alluminio a pacchetto realizzata con telaio e due tipologie di ante: quelle laterali con profilo a scomparsa, quelle centrali con anta scorriata. Tra le varie pannellature, doghe verticali nelle ante laterali, lamelle orientabili o ovaline fisse nelle ante centrali. Gli accessori coordinati (tappi, guarnizione, comandi di vari colori) la rendono un prodotto di alta finitura e ne esaltano la sua bellezza.

A richiesta ferramenta storica coordinata.
