

SERIE SCURONE DOPPIA DOGA

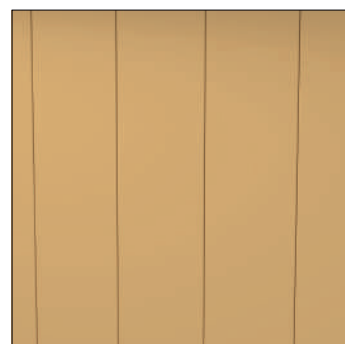

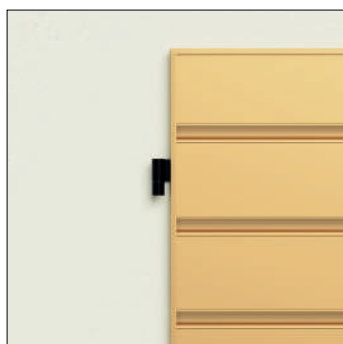

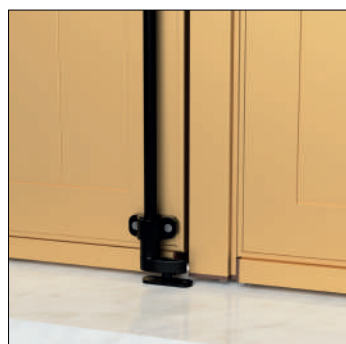

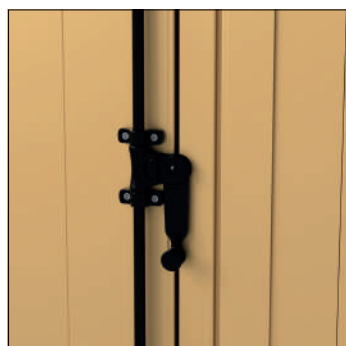

Scurone in alluminio realizzata con anta a scomparsa si adatta particolarmente alle ristrutturazioni di casolari e abitazioni rustiche. Persenta una doppia pannellatura, composta da scandole nella parte esterna, e doghe orizzontali o verticali nella parte interna. È possibile scegliere tra varie pannellature (doghe orizzontali o verticali, scandole). Gli accessori coordinati (spagnoletta, tappi, guarnizione) la rendono un prodotto di alta finitura e ne esaltano la sua bellezza.

A richiesta ferramenta coordinata.
